

SLEEK & ROBUST AQUA LIFE

WEATHERPROOF SWITCH & SOCKET
SOLUTIONS FOR RESIDENTIAL AND
COMMERCIAL APPLICATIONS

AQUA LIFE: CONTEMPORARY, ROBUST AND MADE FOR THE OUTDOORS

Kiwis are blessed with one of the best climates in the world so naturally, we enjoy spending time outside. Our **outdoor** lifestyles mean we require **reliable** power solutions which are tough to withstand the New Zealand Landscape, but also meet our demanding and ever-changing needs.

Our Aqua Life range of weatherproof switches have been carefully crafted to suit these environments. Featuring a **contemporary design** and robust mechanics, Aqua Life will deliver supreme performance for you every time.

An Exhaustive Range

Single Powerpoints

WL787LG

WLC787CG

WL787USBLG

Double Powerpoints

WL777/54CG

WL777LG

Switches

WL770/1LG

WL770/2CG

Adaptor for Arteor

WLFA920CG

Two Mounting Options

WLF777CG

SHALLOW MOUNT

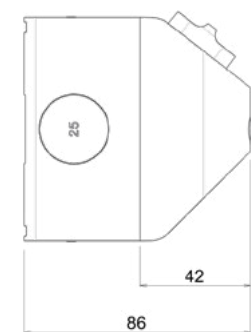

Features a modern and slimline design ideal for residential installations. Only 47mm deep.

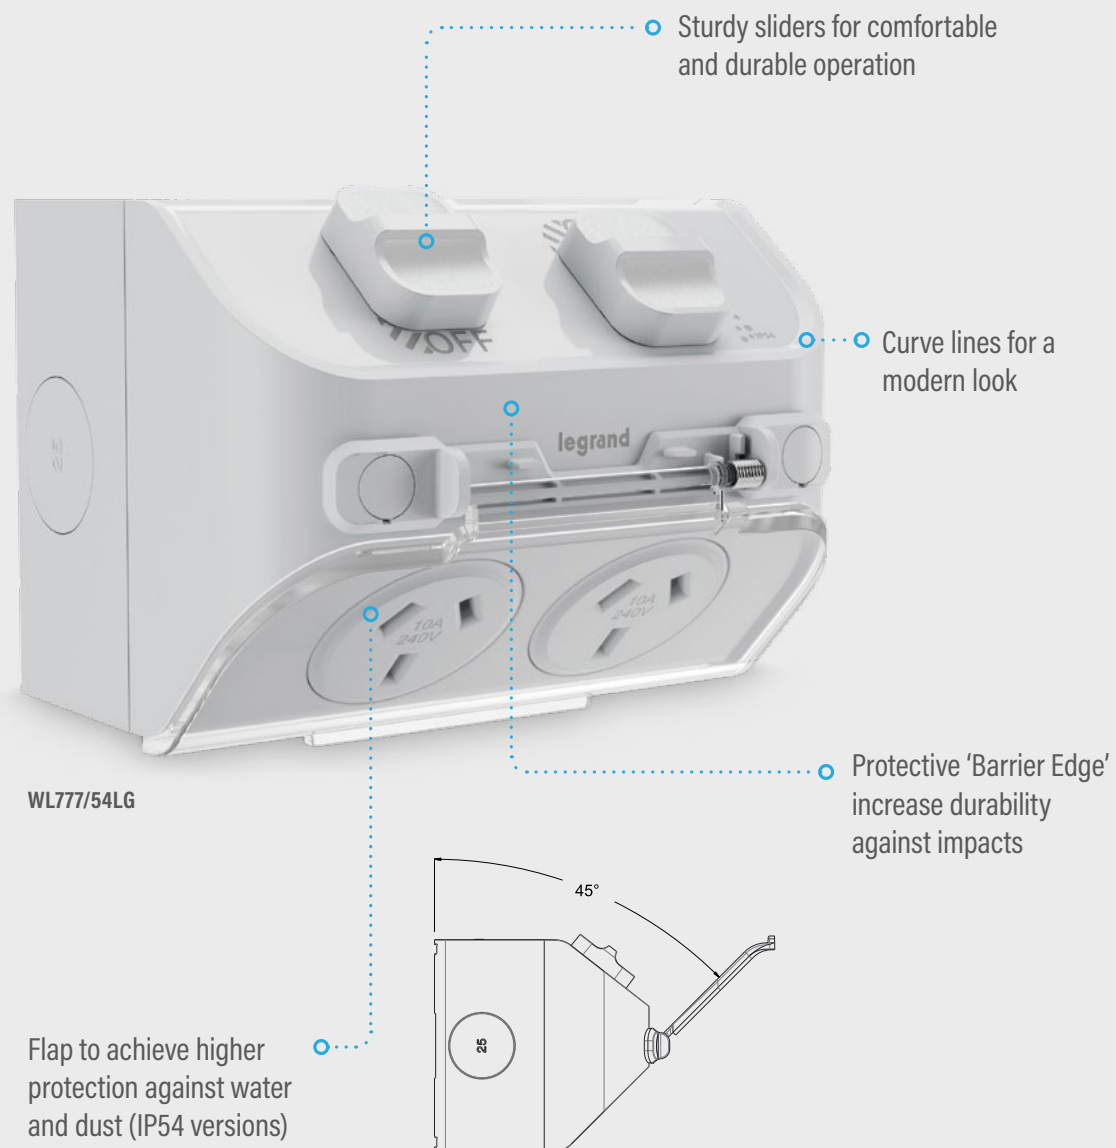

WL777LG

SURFACE MOUNT

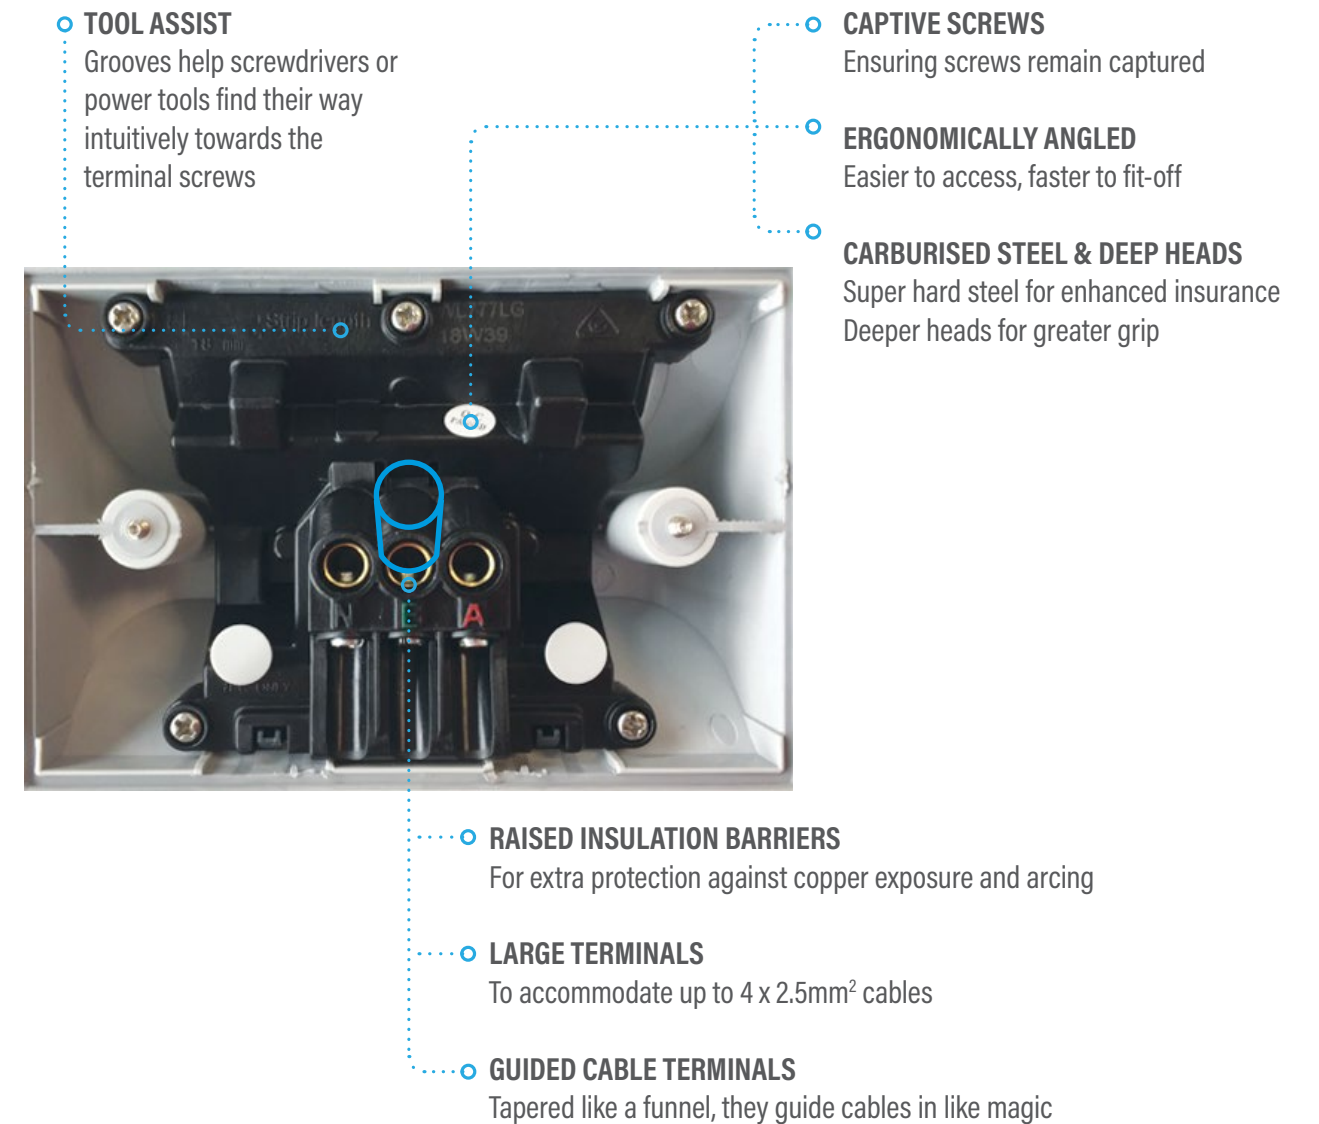

Featuring a hardwearing exterior, the surface mount option is our most versatile solution offering ample wiring space and 25mm conduit knock-out entries. Ideal for commercial use.

Enhanced Ergonomics & Installation Features

1 SET OF TERMINALS

2 SETS OF TERMINALS

A double powerpoint with 2 sets of terminals (WL777/2T Series) is also available, allowing more wiring flexibility for the installer

Technological Range

WL787USBLG

• **Type A port**
2.4A charging capacity

• **Type C port**
3A charging capacity

SGPO WITH USB CHARGERS

5A of super fast charging over 2 Type A & C ports (2.4A on type A and 3A on type C), ensuring you never run out of battery charge again.

IDEAL FOR OUTDOOR ENTERTAINING. NEVER RUN OUT OF CHARGING POWER OR TUNES AT YOUR NEXT BBQ.

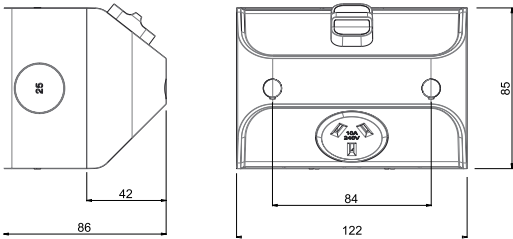

• Flap protects the USB sockets when not in use
