MODIFY PRICING

Modify via built in pricing table

- or export/import excel spreadsheets

Store multiple pricing tables if necessary (when working with several builders/contractors)

STORE TABLES

Safely complete projects and hold the amount agreed at the consultation time. Pricing history

is also saved.

UPDATE PRICING

Be able to manually update pricing on specific projects when re-activate a completed project

GENERATE REPORTS PRINT OR SAVE AS PDF/IMAGES OR EVEN EXCEL DOCUMENT FOR REPORTING PURPOSES

CLIENT REPORT with total upgrades cost & product images
